**GERICARE CENTER LLC DOCTOR'S OFFICES FINANCIAL POLICY STATEMENT**

We are committed to providing the highest level of medical care to our patients. To ensure that our patients fully understand our billing process, we ask that you read and sign this financial policy statement.

**INSURANCE PARTICIPATION:**

We have submitted applications for participation to all major insurance companies and already participate with some of them. However, it is the patient's responsibility to ensure that the physician he/she is seeing is listed with the insurance company as a participating provider. Any patient treated by a non-participating physician will be responsible for any deductibles, co-insurance, uncovered services, etc.. Imposed by their insurance company. From time to time we may ask you to assist us in obtaining payment from your insurance company on claims that have remained unpaid for an extended period of time.

**PATIENT RESPONSIBILITY:**

Without exception, it is the responsibility of the patient to pay his/her co-payment and any unpaid portion of the deductible at the time of service. Any additional co-payments, deductibles and/or co-insurance will be billed to the patient as indicated by your insurance carrier on their Explanation of Benefits (EOB). Your insurance company will mail you an EOB outlining the services rendered and the portion of the bill which is your responsibility. All patients without insurance must pay in full at the time services are rendered.

**DENIED CLAIMS:**

Our billing agent will not become involved in disputes between you and your insurance company regarding uncovered charges, coordination of benefit issues, eligibility issues, pre-existing conditions or any other matter, which causes the claim to be denied. Should your claim be denied for any of these reasons or any other reasons not listed here, the claim will become the responsibility of the patient and payment will be expected immediately.

**LABORATORY CHARGES:**

Please note that the services provided to you may require outside lab work. We will forward your laboratory tests to a participating lab company whenever possible. You must contact the lab company directly should you receive any bills from them.

**PAYMENT OPTIONS:**

For your convenience we offer a variety of payment options. We accept all major Credit Cards, Personal Checks, Cashier/Bank Checks and of course CASH. All returned checks will be assessed a \$30.00 returned check fee in addition to the original charge.

**REFUNDS:**

All refunds will be processed within 6-8 weeks after the overpayment is discovered on the patient's account or at the time the refund is requested. Patients who have insurance but made a partial payment or made payment in full will not be refunded until payment in full is received from their insurance company. Refunds for payments made with a credit card will be credited back to the credit card used, for all others a check will be issued within 6-8 weeks.

**REFERRALS:**

All of our patients requiring the services of outside specialists will be given a referral depending on their health plan. Please note that no referrals will be given without first being treated by one of our physicians as required by your health plan.

**RELEASE OF ASSIGNMENT:**

"I hereby assign all medical and/or surgical benefits, to include major medical benefits to which I am entitled including Medicare, Blue Cross Blue Shield, Avmed, Aetna, Wellcare, Freedom, Optimum, Simply, GHI, Humana, TRICOR, Staywell, Beech Street, PHCS, Multiplan, United Healthcare, Oxford plans and commercial insurance to Gericare Center LLC Doctors Office. I understand that I am financially responsible for all the charges whether or not covered by the insurance I provide for the visits with Gericare Center LLC. I hereby authorize said assigned to release any information necessary to secure payment on my behalf."
